24-ft Indoor/Outdoor LED Smart RGBW Strip Light Kit

The 24-ft Indoor/Outdoor LED Smart RGBW Strip Light Kit is IP65 rated water and dust proof on the strip light and controller, perfect for indoor or outdoor locations.

The light strip is flexible, giving you the ability to navigate the strip light around tight corners and hard to reach locations. Control Good Earth Smart lights throughout your home with an easy 3-step set up from our free Good Earth Lighting App - no hub required. Simply control your lights from anywhere through the app to turn lights on/off, adjust dimming/brightness, change colors, set schedules, apply timers, create groupings, sync to music, and more from your phone. Connects with Bluetooth wireless technology when Wi-Fi goes out. Hands Free Voice control works with Amazon Alexa and Google Assistant. Includes (1) wet location power supply, (1) IP65 water resistant strip light and WIFI controller, (20) silicone mounting clips, and (42) screws for mounting.
